International PMI Poland Congress

**3-4 November 2008
Warsaw, Poland
Marriott Hotel**

- **World trends and standards of project management given by PMI experts**
- **12 PDUs for each participant**
- **Lectures given only by recognized, international experts in project management**
- **Networking, sharing of knowledge and experience with best project managers**

Projects are unique actions where very often you're breaking new ground, establishing new entities, implementing new technologies and changing fundamental way you do business.

The good news is that you're not alone!

For the third time PMI Poland Chapter is proud to invite you to participate in

PMI PC International Congress

Our annual Congress will offer an excellent opportunity to advance your projects skills by learning new approaches and techniques. This major event will be also a meeting point for all your fellow project management practitioners throughout Central and Eastern Europe.

There is a wealth of knowledge and experience available, wise and practical advice and PMI principles that will help you achieve project and programme success.

This time we will focus on always "hot topics", such as Project Risk, PMO & Portfolio Management and Resources Management.

We are proud to offer another set of **recognized, international experts in project management**, among them:

- **Dave Prior - Chair of IT & T SIG (PMI Specific Interest Group)**
- **Michael Price - PMI's manager of accreditation programs**
- **Alfonso Bucero – President of Madrid, Spain Chapter; founder and Past President of PMI Barcelona, Spain Chapter**
- **Sofie Blakstad – Senior Vice President, Head of Programmes at Citigroup, London**

... and many other distinguished visitors. Our guests were speakers on Global PMI Congresses and other international events, which guarantees the highest standards of excellence.

**You Can Earn 12 Professional Development Units (PDUs) at PMI Poland Congresses
Toward Maintaining Your Credential**
